MedApps a Winner in CTIA Wireless 2010 E-Tech Awards
Awarded First Place in Healthcare Enterprise and Vertical Market Solution Category

LAS VEGAS, NEVADA – MedApps, Inc. announced today that it is the proud recipient of the CTIA Wireless 2010 E-Tech Award, in the category of Healthcare Enterprise and Vertical Market Solution.

CTIA's E-Tech awards are bestowed upon companies that stand out in their industry for demonstrating unparalleled vision, innovation, and technological acumen.

The awards ceremony took place yesterday afternoon during the International CITA Wireless 2010 Conference in Las Vegas, Nevada. Entries were judged by over 80 highly regarded industry and media analysts and evaluated according to their technological importance, functionality, innovation, and implementation.

Other E-Tech Award Winners in the Healthcare Enterprise & Vertical Market Solution – Healthcare Included

First: HealthPAL MA105, MedApps, Inc.

Second: TelCheck Mobility Blood Glucose Meter, Telcare

Third: Philips Respironics System One Sleep Therapy Device, Cinterion Wireless Modules-Philips Respironics

About CTIA

CTIA-The Wireless Association® is an international organization representing the wireless communications industry. Membership in the association includes wireless carriers and their suppliers, as well as providers and manufacturers of wireless data services and products. CTIA advocates on behalf of its members at all levels of government. The association also coordinates the industry's voluntary best practices and initiatives, and produces the industry's leading tradeshows. CTIA was founded in 1984 and is based in Washington, D.C.
